PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Demuzio, what purpose do you rise?

SENATOR DEMUZIO:

Well, thank you. I have a parliamentary inquiry, if I might, while Senator Weaver's on the -- on the Floor, if I could get his attention. We just had a -- we just -- we just had a Rules Committee meeting and I think I need some clarification for our Members on our side. Do we intend not to have any more Rules Committee meetings after next Friday for bills, because some of

10

91ST GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

our Members even -- haven't even got their bills introduced yet?

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Weaver.

SENATOR WEAVER:

That is our deadline, Senator. I think we may make some concessions, and check with LRB, with those individuals who have bills that they're waiting to get from LRB. But there will be a cutoff. So I'm just encouraging you to get your bills introduced. That will be the -- that will be the deadline. Yes.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Demuzio.

SENATOR DEMUZIO:

Well, it seems to me we've established the -- you've established a deadline for committees to report Senate Bills of

March the -- March the 19th. If you talk about the seven-day posting period, if that is the -- is the fact, then we would have all the way to the 12th of March in which time to -- to introduce bills, since there are -- is no deadlines. And it seems to me that if our Members -- working off of the deadlines that have been established that are printed on the Calendar, that somebody is going to be of the misconception that they have all the way up until that date in order to introduce bills. So I think we ought to have some sort of an understanding for our Membership and some clarification.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Weaver.

SENATOR WEAVER:

I'm glad you've notified your Members that there is a time limit. We're starting out rather slowly this year, and I'm just encouraging people to get their bills introduced, call the Chairman, get 'em posted, and let's move on.

PRESIDING OFFICER: (SENATOR DUDYCZ)

11

STATE OF ILLINOIS
91ST GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

10th Legislative Day

February 18, 1999

Senator Demuzio.

SENATOR DEMUZIO:

So are you saying that we'll have additional Rules Committee meetings, then, after next Friday? Because I'm not sure we can meet that arbitrary deadline that's just now been set.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Weaver.

SENATOR WEAVER:

As I said, Senator Demuzio, we will be checking with LRB and see how many bills there are and when they're going to get 'em out and back to the individual Members for introduction. So, we'll do our best to accommodate everyone, but I just want you to get everybody moving and get -- let's get this show on the road.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Demuzio.

SENATOR DEMUZIO:

Well, I just want to point it out that if we -- if we did it on the 26th, was our last day for Rules, that that's almost a month before the deadline for bills to get out of committee. So it just seems to me that, you know, we ought to have more Rules Committee meetings, and we'll go from there.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Further discussion? Senator Jones, for what purpose do you rise?

SENATOR E. JONES:

A point of inquiry to the Chairman of the Rules Committee.

PRESIDING OFFICER: (SENATOR DUDYCZ)

The Chairman has indicated that he will yield. Senator Jones.

SENATOR E. JONES:

Yeah. Senator Weaver, and it seems -- it seems as though this

came by way of happenstance, I think. Working in a spirit of cooperation, did you notify the Members on your side of the aisle,

12

STATE OF ILLINOIS
91ST GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

10th Legislative Day

February 18, 1999

through communications, that Friday - next Friday - is the deadline for bills to -- there'll be a -- the deadline for bills to be reported out of the Rules Committee?

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Weaver.

SENATOR WEAVER:

No, I did not.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Jones.

SENATOR E. JONES:

Well, if we're going to be working together as a legislative Body, I would -- I would have thought or -- or - I see the President's not here - there'd been some form of communication to all the Members so that the Members would know to get those bills into LRB where they can be printed out. But just to -- this came by way of happenstance, and it should not be that way. If you're going to set a deadline, I think the proper way to do that such is send it out by way of communication to all the Members, not the

week before that you plan to set that deadline, but give one time to have their bills down to the Reference Bureau and etcetera. Matter of fact, most Members would not even have known that Friday was the deadline. This come -- come by way of happenstance. So can we -- Senator Philip, I know he's not here. I know he's been under the weather. But I would think that we should sit down and work on that date, rather than out of the clear blue sky this is a deadline and no one knows anything about the deadline.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Weaver.

SENATOR WEAVER:

Well, Senator Jones, last year the deadline for Introduction of Bills was the first week of February. There's no deadline on when you may introduce the bills. But we intend to maintain our

13

STATE OF ILLINOIS
91ST GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

10th Legislative Day

February 18, 1999

deadlines throughout, as the Calendar states.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Jones.

SENATOR E. JONES:

Well, could -- could you show me on this Calendar where there's a deadline on February the 26th that that's the last day

for bills to be reported out of the Committee? Now can you show me that? Out of the Rules Committee. Can you show me on the Calendar where there's a deadline for Rules -- for bills to be reported out of the Rules Committee?

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Weaver.

SENATOR WEAVER:

Well, we did not put it on the Calendar, but I thought those were on the original Calendar that was handed out a month or so ago on what those deadlines were.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Jones.

SENATOR E. JONES:

I -- I have the Calendar that was handed out and there is nothing on this Calendar whatsoever saying that Friday the 26th is the deadline for bills to be reported out of the Rules Committee and -- and this was going to be the final and last meeting of the Rules Committee. So, what I'm -- even -- even as I show you this, Senator Weaver, you can see that evidently there was some miscommunications and I believe Members on your own side of the aisle don't know this, or they may know it. But what I'm saying to you, I would suggest to you, that this arbitrary date that's pulled out happenstance about a deadline for bills to be reported out, I don't think that's the proper way we should do this. And I trust and I hope that you would talk to your Leader on the other side of the aisle and let's get a more realistic date that's

STATE OF ILLINOIS
91ST GENERAL ASSEMBLY
REGULAR SESSION
SENATE TRANSCRIPT

10th Legislative Day

February 18, 1999

printed, where Members would know that they have to have the bills in. That's the only thing I'm saying.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Weaver.

SENATOR WEAVER:

Well, I'm -- I'm sure the Rules Committee will -- will be meeting up until May the 21st. But we're just trying to expedite the process here a little bit. We'll be as lenient as possible. That's going to be based somewhat on what the backlog is in LRB.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Jones.

SENATOR E. JONES:

If Senator Vince Demuzio had not raised this question to you and we would have adjourned today and Members come back next week and just happened to have stumbled on this information, no one would have known that you had in your mind that the 26th is the -- is the deadline for bills to be in the Rules Committee 'cause they're going to be reported out -- that's the last day the Rules Committee is going to meet for substantive bills to go to the various committees. So what I would suggest to you very strongly is that there will be other issues up around as you -- as you want to work together in a spirit of cooperation. Perhaps you shouldn't set this arbitrary date. But perhaps you should try a

week later to set a date and notify the Members in writing that this is the date that you -- you're going to have for your bills to be in the Rules Committee. Because to arbitrarily come up with a date like that is totally unfair to all the Members in here, Senator Weaver. Senator Weaver. Senator Weaver. May I suggest to you that rather than have this arbitrary date that you just pull out of the sky, could you possibly get a communication together, talk to your Leader on that side of the aisle and set a realistic date, and do it by writing to the Members so that they

15

would know? No one knows what's in your head. I try to read your mind sometime, but I can't do it. No one knows.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Weaver.

SENATOR WEAVER:

We'll put a letter out to the Membership.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Hendon, what purpose do you rise?

SENATOR HENDON:

Parliamentary inquiry, Mr. President. Are we going to get to Resolutions today? I have a resolution, Senate Resolution 30,

that calls for a one-year moratorium on the death penalty, and I'd -- I'd just like to know are we going to call that resolution today?

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Hendon, there -- we are not going to go to that order of business today. Senator Hendon.

SENATOR HENDON:

Well, Mr. President, I have filed a -- a motion to suspend the rules for the immediate consideration of this resolution, and I would like for that -- for a vote on that motion. As you know, there have been ten people who have been on death row who have been exonerated and found to be innocent. This is a dire situation, and I'd like the motion called for the suspension of the rules for immediate consideration of the Resolution 30.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Senator Hendon, the Parliamentarian has informed the Chair that your motion is out of order and, as a matter of fact, your motion has been -- excuse me, your resolution has been assigned to committee from the Rules Committee earlier. Senator Hendon.

SENATOR HENDON:

Mr. President, in all due respect, I -- I had this resolution

last year and I was told the same thing and -- and the resolution was never called. In all due respect, I'd like to appeal the rule of the Chair, because this is a very important issue and I believe the Membership should have the right to vote on whether they want to hear this resolution today. It's very simple. It's very simple, Mr. -- Mr. President. It simply calls for a one-year moratorium. It does not get rid of the death penalty in any way. So I -- I appeal the rule of the Chair.

PRESIDING OFFICER: (SENATOR DUDYCZ)

Well, just for your information, Senator Hendon, the Parliamentarian has informed the Chair that the motion has been improperly drafted and it is not correct in the manner that -- which it has been filed. Committee Reports.

SECRETARY HARRY:
